Mitzelfelt Honors High Desert's Top Employers

VICTORVILLE – San Bernardino County Supervisor Brad Mitzelfelt today hosted a luncheon honoring the top 25 employers in the First District.

“Local businesses are the foundation of our economy and our community,” Supervisor Mitzelfelt told attendees. “Our region’s businesses are what make the High Desert a great place to live.”

Mitzelfelt presented the companies with awards and acknowledged the important role county businesses play in improving the quality of life for residents and ensuring that adequate public services are provided.

“You provide the jobs that help High Desert families work close to home and that make our economy thrive,” said Mitzelfelt.

Mitzelfelt thanked the businesses for their role in job creation and encouraged optimism and continued growth despite concerns about a slowing national economy.

“Our region has led the state in job growth, and our affordable and abundant land, coupled with our skilled workforce, will keep the High Desert a leader in economic growth.”
